On July 2, 2008, the City Council approved an Interlocal Agreement that established funding allocations and the budget covering fiscal year 2008/2009 for the Las Vegas Wash (Wash) activities. To continue the stabilization and enhancement of the Wash, the Southern Nevada Water Authority has completed a budget for capital construction and operation activities for fiscal year 2009/2010. Approval of this Agreement will allocate the monetary resources necessary for the Wash operating expenses among the member agencies to the Agreement. The City of Las Vegas is responsible for 38.5% of the local share, which amounts to \$179,224.
